Kia ora, Morena Christin,

I noted that your email re:10 May included consultation notes: a letter of support from Nga Tai o Kawhia, and Maniapoto Trust and also a letter of support from Tainui

I have a close working relationship with Waikato/Tainui who are strong supporters of Te Tahuna o Aotea Marine Farm and its Resource Consent application. Today I have a meeting with Waikato/Tainui and will ask them to forward a letter of support to you directly

Included is an email received from Glenn Tootill, lawyer for Maniapoto Trust and chairperson of Nga Tai o Kawhia for your information

If you require further information please let me know

Heoi,

Kia ora Terewai,

Ngā Tai o Kāwhia RMC met tonight to discuss, amongst other matters, your email. The rohe of Ngā Tai o Kāwhia does not extend to Aotea Harbour. On that basis the RMC did not have a position.

Ngā mihi

Glenn

Kia ora Glenn,

My name is Terewai Awhitu from Ngati TeWehi-Okapu Marae, I have submitted a Resource Consents application to Waikato Regional Council on behalf of the above company of which I am a director.

WRC has asked that I get your comments or a letter of support on behalf of Nga tai o Kawhia hapu on the proposed mussel spat farm application.

I also attended a MPI hui in Te Kuiti last Thursday hosted at the Maniapoto Trust Office and spoke to trust member Wes Maags for his thoughts as a Maniapoto Trust member who was very supportive of this initiative but insisted that and mention your name as the person to contact on behalf of the Trust.

Therefore I would appreciate a response in writing from you that I can then submit to WRC.
