State whether you support or oppose the provision being submitted on, or wish to have amendments made. You can also upload file attachments that support your submission.

I SUPPORT OR OPPOSE THESE PROVISION/S Support these provision with amendments

Tell us the reasons why you support or oppose or wish to have the specific provisions amended.

MY SUBMISSION IS THAT:

I support that change is necessary but must be practicable and fair for all rate payers.

Decision sought

Select as appropriate.

I SEEK THE FOLLOWING DECISION BY COUNCIL

Accept the provision with amendments as outlined below

State clearly the decision and suggest changes you want Council to make

Amend as follows:

Include street and roading runoff as another contaminate that must be eliminated, isolated or controlled. Strategic Replacement of all Tarseal and Bitumen roads with Paved Cobled or Concrete Surfaces would be a start to minimise runoff along with bringing street lighting costs down, road safety in line with world class standards.
