ADDITIONAL SHEET TO ASSIST IN MAKING A SUBMISSION

Section number of the Plan Change: 3.11.5.2

Do you support or oppose the provision?

 Support Oppose**Submission***State in summary the nature of your submission and the reasons for it.*

I oppose this rule because I feel that all farm land should have the same ability to undertake any type of farming activity. I also oppose the grandparenting of nitrogen loss as this penalises land users who have worked to improve their environmental record.

Decision Sought*State clearly the decision and/or suggested changes you want Council to make on the provision.*

I seek the deletion of the following standards/objectives out of rule 3.11.5.2

3.11.5.2.4 - a,b,c,d,e

Section number of the Plan Change: 3.11.5.3

Do you support or oppose the provision?

 Support Oppose**Submission***State in summary the nature of your submission and the reasons for it.*

I oppose this rule because the 5 metre set back from waterways will effectively create a deadzone, that will allow a place for weeds to grow and ultimately be neglected.

Decision Sought*State clearly the decision and/or suggested changes you want Council to make on the provision.*

I propose to delete the following standards/objectives out of rule 3.11.5.3

3.11.5.3 - 5

Schedule 1 - 2.b.(iii)

ADDITIONAL SHEET TO ASSIST IN MAKING A SUBMISSION

Section number of the Plan Change: 3.11.5.4

Do you support or oppose the provision?

 Support Oppose**Submission***State in summary the nature of your submission and the reasons for it.*

I oppose this rule because the 5 metre set back from waterways will effectively create a deadzone, that will allow a place for weeds to grow and ultimately be neglected.

Also stock exclusion is not practical on some steeper land as there is not enough income off sheep (at the moment).

Decision Sought*State clearly the decision and/or suggested changes you want Council to make on the provision.*

I propose to delete the following standards/objectives out of rule 3.11.5.4

3.11.5.4 - 5.a

Schedule 1- 2. f (i) & (ii)d

Section number of the Plan Change: 3.11.5.7

Do you support or oppose the provision?

 Support Oppose**Submission***State in summary the nature of your submission and the reasons for it.*

I oppose this rule as farmers should be able to change land use if the economy dictates. All farm land should have the same ability to undertake any type of farming provided the environmental impacts can be effectively managed.

Decision Sought*State clearly the decision and/or suggested changes you want Council to make on the provision.*

I propose to amend rule 3.11.5.7 from non-complying to discretionary.
